Recently, we have been bombarded with the same conversation topics of economic recession, economic distress, downsizing and many more negative evaluation and complaints. Even so, a professional MLM leader such as yourself should always be full of confidence as you strive forward for a better future. Only then your downlines, clients and prospects will become excited, achieve high morale, become optimistic and always improve themselves as they are influenced by your passionate aura. This in turn helps you to overcome all life difficulties.

To all our comrades,

We love this industry very much. In fact, all the company decisions we made until now have shown our passion. We vow to always provide you with the best marketing support and products. For instance, we have organized K-Ayurveda Roadshow, D'Flora and Triple Stem Cell Beauty Roadshow, various scales of Business Opportunity Presentation (BOP), Partner Sejati Meeting (PSM) and so on in March and April. Our comrades get the opportunity to learn more about our products' efficacy and information, to enhance marketing skills and to master the market trend, especially during this economic recession.

K-LINK will soon introduce healthcare products made from ginkgo biloba extract, nutritious products such as fish oil for children and

many more. These are the healthcare products which have amazing benefits to human body. So, stay tuned!

Besides that, K-LINK will organize Regional Recognition Rally every half a year throughout Malaysia between April and June. This event is organized with the aim to recognize and acknowledge our comrades' amazing performance so far. Besides the recognition, this event also aims to share their entrepreneurship stories on their journey to success. Therefore, do not miss out on this learning opportunity provided by our Company, see you at the Regional Recognition Rally!

The Father of Modern Management, Peter F. Drucker once said 'Doing the right thing is more important than doing things right!' This is why we made MLM as our career choice, this is 'doing the right thing'; and we choose K-LINK International, this is also 'doing the right thing'; when we are doing the right thing, all the actions, planning, learning and belief will guide us to realize our dream. Let us strive together in our career, and achieve success in spectacular fashion. This will be the achievement we feel proud of!

Together We Achieve Higher

This year, our motivational motto is "Together We Achieve Higher". The message behind is that success is not a solo journey. Our past 15 years of ups and downs have proven that working together and trusting each other has helped us survive and become stronger. The journey ahead is uncharted, but we look forward to new peaks ahead because there is no limit to our potential of

achieving success when we work together. The logo has been designed with four hands of different colors holding each other in an enclosed motion, to show our togetherness and our team spirit working hands-in-hands among our four main market groups: the Malays, Chinese, Indians and Indonesians. The colorful logotype "TOGETHER" once again emphasizes our togetherness and the sky-blue colored logotype "Higher" denotes our aim to achieve sky-high success. So, together we believe in K-LINK, together we can make it!
