A new year, a new beginning. Million thanks and gratitude we offered to all distributors who supported our growth through thick and thin; in this hopeful year of 2016, K-LINK International wish to say 'Together We Achieve Higher' with you.

This year, we will continue to strive harder to fuel our actions through your anticipation, and make your dreams a reality. We have also made all-round improvements to fulfill our promises to you. To realize these commitments, our first action is the launching of "Achieve & Win RM 500, 000 Worth of Lucky Draw" sales campaign which held from January to June 2016. This campaign will not only motivate and help boost distributors' sales, but also help develop more markets nationwide. In truth, the bigger your effort, the higher the chance for you to win it! Hence, do seize this opportunity and make your dreams come true!

One of the directions of K-LINK International this year is to emphasis heavily on expanding our beauty market and to help more women to build their careers. Also, we have launched D'Flora Cosmetic Series; these cosmetic products are produced with German Technology which we are confident would satisfy our customers in terms of quality. This new product will surprise female members with its beauty-enhancing benefits as well as creating even more amazing profit and value to our distributors.

Besides that, the Triple Stem Cell drink which was launched in December 2015 is able to nourish our body with never-ending supply of healthy cells, giving you the youthful-looking skin you deserve. In order to portray the perfect representation of "Everlasting Youth", K-LINK has invited Miss Chinese Cosmos International 2004, Ms. Carrie Lee to be the ambassador for this product.

To my beloved comrades,

Besides developing new markets, products and diversified strategies, K-LINK International will march towards a knowledge economy and advanced technologies territories in the 21st century. Also, we will launch a new and more intuitive official website this year to provide the best browsing experience to our members, giving you company-related information and interesting content faster and easier to satisfy your needs.

Lastly, K-LINK International would like to wish you and your family a smooth year ahead in the year of Monkey. May 2016 bless you with good health and wealth, as well as a great career. Happy New Year!

### Together We Achieve Higher

This year, our motivational motto is "Together We Achieve Higher". The message behind is that success is not a solo journey. Our past 15 years of ups and downs have proven that working together and trusting each other has helped us survive and become stronger. The journey ahead is uncharted, but we look forward to new peaks ahead because there is no limit to our potential of achieving success when we work together. The logo has been designed with four hands of different colors holding each other in an enclosed motion, to show our togetherness and our team spirit working hands-in-hands among our four main market groups: the Malays, Chinese, Indians and Indonesians. The colorful logotype "TOGETHER" once again emphasizes our togetherness and the sky-blue colored logotype "Higher" denotes our aim to achieve sky-high success. So, together we believe in K-LINK, together we can make it!
