### Together We Achieve Higher

This year, our motivational motto is "Together We Achieve Higher". The message behind is that success is not a solo journey. Our past 15 years of ups and downs have proven that working together and trusting each other has helped us survive and become stronger. The journey ahead is uncharted, but we look forward to new peaks ahead because there is no limit to our potential of

achieving success when we work together. The logo has been designed with four hands of different colors holding each other in an enclosed motion, to show our togetherness and our team spirit working hands-in-hands among our four main market groups: the Malays, Chinese, Indians and Indonesians. The colorful logotype "TOGETHER" once again emphasizes our togetherness and the sky-blue colored logotype "Higher" denotes our aim to achieve sky-high success. So, together we believe in **K-LINK**, together we can make it!
